## WELCOME

Welcome to the first Nottinghamshire Growth Summit here at Osberton International Horse Trials. We are delighted to invite businesses, both large and small, from across the region to take part in this event. Our aim is to focus our attention on the opportunities for growth in the region and we are pleased that many of the regions prominent businesses are supporting the day.

Throughout the course of the day, visitors can expect a number of insightful and informative discussions lead by leading businesses, including a vision for growth for the county delivered by Cllr Kay Cutts, this will be followed by an industry panel chaired by Editor and Publisher of Nottinghamshire Live and Nottingham Post - Mike Sassey, and a regional update from Simon Greaves.

At the afternoon session we will be joined by one of our Equestrian Olympians, this will be followed by an industry panel that will offer you the chance to put any of your burning questions to a panel of local business representatives.

The day will conclude with an Investec Wealth & Investment reception that will enable you to experience some of the excitement of the horse trials, and a chance for you to bag some one to one time with the days speakers.

We would like to extend our sincere thanks to all of our sponsors and the businesses involved in running the event. Their support has made the day possible, we hope you will join us at Osberton on the 27th September.

+ **Stuart Buntine**  
Managing Director, BEDE Events
