

Dear All

As you will be aware the horse trials run each year at the end of September/beginning of October at Osberton. This is one of the largest sporting events in the region and attracts an audience that can benefit the region greatly. As part of a larger picture and based on a very successful model in Holland, we are planning the launch of a Nottinghamshire Business growth and networking week in 2019 over the event. There are a huge number of opportunities for the region to host meetings, conferences, product launches etc across the five days, all set against a very congenial backdrop.

We would like to invite all businesses across the region to a launch event on Sunday 30th September at Osberton International Horse trials in the conference centre in the middle of the trade village. We will outline the vision and opportunities for the event and look to interact with your businesses to develop this into a must attend week.

Sunday is very much our family day and with that focus we would like to extend our invitation to all business owners and their families to join us for a launch at 1130 on Sunday 30th. Sunday at the horse trials offers families a great day out with a fun fair, a host of exciting arena entertainment, including the Extreme Mountain bike team, plus entertainers and children's activities. Please visit our web site for more details. www.osberton-horse.co.uk

To receive your free family car pass for Sunday 30th September, please email rowann@bedeltd.co.uk A car pass will give you and your family access to the event to enjoy the variety of activities and to sample the atmosphere.
